

pursuant to LCvR 7.1. Such motion must be filed electronically under the designation “Motion to Seal.” The motion must set forth:

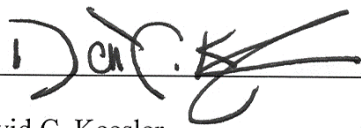

- (1) A non-confidential description of the material sought to be sealed;
- (2) A statement indicating why sealing is necessary and why there are no alternatives to filing under seal;
- (3) Unless permanent sealing is sought, a statement indicating how long the party seeks to have the material maintained under seal and how the matter is to be handled upon unsealing; and
- (4) Supporting statutes, case law, or other authority.

Local Rule 6.1. It appears that the requirements of the Local Rules have been adequately met. Defendant seeks to seal “material of sensitive nature, including, *inter alia*, sensitive personal medical information.” (Document No. 26).

Having considered LCvR 6.1 and LCrR 49.1.1, the Court will grant the motion to seal. Noting that the time for a response has not run to this motion, the Court will consider any objection to this Order from the Government or non-parties as an objection to the motion, requiring no additional burden under the Federal Rules of Civil Procedure. See Local Rule 6.1(e).

IT IS, THEREFORE, ORDERED that Defendant’s “Motion To Seal” (Document No. 26) is **GRANTED**.
